PRESIDENT'S REPORT

It's been another busy month for the club. The Open Weekend (see below) was a great success, with many visitors coming along to learn about the club, try their hand at making pots, and even take part in the raku firing. We are still waiting to hear if our grant application for the property extension and new kiln room has been successful.

POTTERS' CLUB OPEN HOUSE WEEKEND - *16th (Sat) - 17th (Sun) August*

For many years the Cairns Potters Club has opened its doors to the public over one weekend in August, giving people the chance to see what we do, learn about our classes, and perhaps even buy a pot or two. This year's Open Weekend was well attended, with plenty of visitors interested in pottery as well as members keen to take part in the raku firing.

A big thank you to the potters who helped aspiring potters make their first pots, and to Nigel and his team for running the raku firing on Sunday. Both members and visitors had the chance to glaze and fire pots, with some exciting results coming out of the kiln. Thanks also to the members who helped prepare for the firing and those who volunteered their time over the weekend.

Thanks to Catherine Louison and Steve Brown for the photos.

ADULT AND CHILDREN'S CLASSES

Any club member interested in doing adult or children's classes please contact Lone White. There is a great demand for classes and some of the teachers cannot continue for the moment.

CLAY AND MATERIALS ORDER

Picasso's Ceramics had some problems getting clays from the new owners of Keanes Clay, but members finally received their June/July orders last Saturday.

The club will be sending in a new order later this month, so if you would like to order any clays or materials, please send your order to lone@tpg.com.au

Handbuilding Workshop - Carolyn Brumby

Jenny - Wow! So much fun. Thanks Carolyn. This workshop is a fantastic introduction to handbuilding. Carolyn takes you through a huge variety of skills including slab, moulded and pinch pots all in a relaxed and supportive environment. Highly recommend it !

Melinda - I recently did a handbuilding pottery course and really enjoyed it. It was such a creative relaxing experience and I learnt so much in a short time. Carolyn was supportive and made it easy to pick up new techniques. I'd definitely recommend it to anyone wanting to try pottery.

Jewelz - I had such a wonderful time at the pottery class. Out of all my projects, my favorite was creating my pumpkin jar with a lid - I loved how it turned out. I also really enjoyed working on the detail of the sculpture house, which I am excited to turn into an incense holder. Using the large slab roller was a new and very informative experience. Overall, it was a fun, creative and inspiring day - highly recommended!

Switched On Exhibition at the Bailey Crystalbrook Cairns

8th August – 28th September 2025

The 'Switched On' exhibition features a series of handmade ceramic lights made by practising ceramicists studying at TAFE. Each work explores structure and form as a primary focus, using clay to investigate how light interacts with surface, volume, and space. Texture, pattern, and colour are used to enhance the sculptural qualities of each piece, reflecting a strong engagement with process and material.

The exhibition presents a diverse range of functional light forms—from bold and architectural to intricate and organic—demonstrating the time, skill, and experimentation behind each work. *Switched On* offers a dynamic insight into contemporary ceramic practice.

Participating Artists:

- Linda Gordon
- Nicole Elder
- Catherine Louison
- Susan Willison
- Luisa Manea
- Masae Iwagishe
- Alisa Iwagishe
- Kerrie Miller

For all the potters involved, it has been a wonderful experience, with special thanks going to Olivia Azzopardi, the TAFE teacher, for organising this showcase of our work.

It's been an exciting experience for all the artists. It's been exciting for us all.

Neil King

I came to Cairns from Adelaide in a panel van when I was 18 — that was 50 years ago! I had forgotten how good it is here. My plan this time was to travel down the east coast in a van, but I like Cairns and the Cairns Potters Club so much that I've decided to stay.

I don't have any particular style, but I've mostly been doing underglaze painting on wheel-thrown vases since I arrived. I first tried pottery at a studio in Taipei, Taiwan, starting out with handbuilding. It took me ages to get the hang of the wheel, and I still throw them a bit heavy! I'm still interested in handbuilding and I've been learning more about some of the native flora and fauna around Cairns.

I'm also in the process of house-hunting, hoping to find somewhere with a view of the beautiful mountains that surround the city.
